

APPLICATION FOR ADMISSION Respiratory Care

Application Deadline for 2023 is June 10.

For admission into the program, all prerequisites must be completed or in progress at the time of application. If courses are in progress, acceptance will be conditional upon submission of an official transcript immediately upon completion. In order to meet requirements, prerequisite courses taken at Goodwin University must be completed with a grade of "C+" or higher. Courses taken at other accredited colleges must be equivalent to Goodwin University courses and completed with a grade of "C+" or higher. Satisfactory scores on the CLEP examinations are also acceptable in meeting these requirements with the exception of Anatomy & Physiology I and II. All requested documentation must accompany this application. Acceptable documentation is indicated for each prerequisite.

Prerequisite	Documentation
High school graduation (or GED program certificate)	Copy of high school transcript. Upon acceptance, student must submit an official transcript for their record.
Placement test scores that qualify applicant for English 101 or proof of completion of college-level English 101 equivalent or higher.	Copy of college transcript or placement test. Upon acceptance, student must submit an official transcript for their record within first 16 weeks.
Placement test scores that qualify applicant for MATH 125, Mathematical Applications for the Health Sciences or higher, or completion of college equivalent of MATH 125 or higher.	Copy of college transcript or placement test. Upon acceptance, student must submit an official transcript for their record within first 16 weeks.
Chemistry – CHEM 101 (Goodwin University) or college equivalent.	Copy of college transcript. Upon acceptance, student must submit an official transcript for their record within first 16 weeks.
Biology – BIO 211 Anatomy & Physiology I and BIO 212 Anatomy & Physiology II (Goodwin University) or equivalent, completed within five (5) years prior to entering program. General Biology with laboratory component, BIO 120 or BIO 121 (Goodwin University) or equivalent is the prerequisite for BIO 212. BIO 235 Microbiology with a C+. (NOTE: Applicants meeting all other requirements can be admitted conditionally without completing BIO 212 Anatomy & Physiology II. However, this must be successfully completed prior to entering the program.)	Copy of college transcript. Upon acceptance, student must submit an official transcript for their record within first 16 weeks.
GPA – GPA of 2.7 or greater in high school or college. College GPA is based on a minimum of 12 completed credits.	Copy of high school or college transcript. Upon acceptance, student must submit an official transcript for their record within first 16 weeks.
Interview with the Respiratory Care Program Director	Interview notes on file.
Attestation that applicant possesses the ability to perform the tasks as stated in the Essential Functions of a Respiratory Therapist.	Signed document on file.
